OLD RELIABLES AT ARLINGTON

Members of the 9th Div. in a final salute to Capt. George Waple at Arlington Nat. Cemetery. Capt. Waple had requested the 9th act as "Honorary Pallbearers" at his funeral. This set a precedent for Arlington and the group was deeply moved and humbled by the request. Special thanks to Col. Anders (Commanding officer at Fort Meyers and the Old Guard) and his entire staff. One of George's most notable quotes "it is hard to respect that of the ridiculous." To a great man, a great soldier and a great friend, you will be missed dearly.
